Disposal Options for Items NOT Accepted at Hazardous Waste Collection Event

Medications (prescription or OTC)- Med Drop Locations <https://safercommunity.net/meddrop/>

Light bulbs– Take fluorescent tubes and compact fluorescent lights to a hardware store (Menards or Home Depot). Dane County ordinance requires that all stores selling fluorescent bulbs and lamps must accept used lamps for recycling. Fees may be charged for small quantities from households. Regular incandescent bulbs can be thrown in the trash. White LED bulbs are accepted at the Clean Sweep Facility listed below.

Latex paint– Latex paint is not hazardous and, when solidified, can be thrown in the trash. To solidify, mix with equal part clay-based cat litter or use paint hardener product (available at hardware stores), leave the lid off, and put it in your garbage can. Liquid latex paint is accepted at Clean Sweep Facility listed below .

Alkaline Batteries- Throw alkaline, single-use & other disposable batteries in trash. Some retailers will accept for a cost.

Electronics- Electronics are accepted at the Clean Sweep Facility listed below .

Motor oil and oil filters- Used oil and filters are accepted at most auto parts stores and service centers (call ahead), the Waunakee Village Garage and the Clean Sweep Facility (oil only, no filters).

PREPARING FOR YOUR CLEAN SWEEP VISIT

- Package material in boxes or rigid totes to keep products upright and prevent spillage during transportation and unloading. Keep all materials in their original containers. If the container is damaged, place it in an individual plastic bag.
- **DO NOT** mix materials or co-mingle your waste in plastic bags.
- Transport gasoline or other fuels in an approved container (no larger than 6 gallons). Containers will not be returned.

YEAR-ROUND HOUSEHOLD HAZARDOUS WASTE DISPOSAL

Dane County residents can safely dispose of household hazardous waste year-round at the Clean Sweep Facility.

**Clean Sweep is located at the Dane County Landfill -
7102 US Hwy 12
Madison, WI 53718**

M-F 7 am - 2:45 pm

Sat 8 am - 10:45 am

landfill.countyofdane.com/services/clean-sweep

Clean Sweep visitors and customers do not need to use the landfill scale to weigh in and may drive past the line of traffic at the scale house to Clean Sweep's drop off area.

Never leave hazardous wastes at any location. Abandoning hazardous wastes, even from households, is a State and Federal offense.
