

Municipal Stormwater Maintenance Program Survey

This survey is meant to gain information regarding municipal stormwater maintenance and inspection programs. We're most curious about how privately held basins are being managed. The information collected in this survey will be used to help MAMSWaP members gain insight regarding others' programs and help develop stronger maintenance programs.

Municipality*

City of Sun Prairie

Does your municipality have an active stormwater maintenance program? *

- ☒ Yes
- ☐ No

Approximately how old is your maintenance program?
