

Municipal Stormwater Maintenance Program Survey

This survey is meant to gain information regarding municipal stormwater maintenance and inspection programs. We're most curious about how privately held basins are being managed. The information collected in this survey will be used to help MAMSWaP members gain insight regarding others' programs and help develop stronger maintenance programs.

Municipality*

Village of Shorewood Hills

Does your municipality have an active stormwater maintenance program? *

- ☒ Yes
- ☐ No

Approximately how old is your maintenance program?

- ☐ New (under a year)
- ☐ 1-5 years old
- ☐ 5-10 years old
- ☒ Over 10 years

How often are inspections required?

Yearly

Do you send notification letters? If so, what is the frequency?

Yes and yearly

Notification Letter

Please upload a copy of your notification letter if you're willing to share.

Who can perform inspections and what are the requirements for the inspectors?

Ex: P.E., native vegetation specialist, landowner, etc.

Public works crew and village forester. No specific requirements. Our village engineer has provided us with some guidelines.
